THE RED STAG DEER & EMU TOURIST FARM—EUROBIN

We invite the visitor to The Red Stag - Deer Stud and Tourist Farm Complex, established in 1987 as a commercial Deer Farm. The farm is situated on a 60 acre property, bordering the Mt Buffalo National Park, in Victoria's beautiful High Country. This unique Tourist Farm offers the visitor a grand opportunity to feed, touch and learn about these majestic animals with their unique characters and instinctive behavior. The Red Stag Restaurant has become a favorite stop for tours and buses whilst visiting the Bright and the Alpine region. Full lunches are available or try the restaurant's legendary Devonshire Teas with either a traditional cup of Tea or a selection from the Cappuccino bar. Included is an informative historical speech covering the Deer Farm, local farming in the valley and deer farming operations. Browse through our unique gift shop with a wide range of health products derived from Deer Antler and Emu oil. We also have a range of T-shirts, hand made leather goods and gifts. We are conveniently located just 3 hours drive North East of Melbourne, approximately one hour from Albury-Wodonga, with Mt Buffalo in the background..... Spectacular!

Visit The Red Stag - Deer and Emu Tourist Farm Complex and see what we have to offer!
