SEALINK KANGAROO ISLAND

Kangaroo Island SeaLink provides the major transport link between the South Australian mainland and the internationally recognised tourist icon of Kangaroo Island.

Two large 50m specially built passenger and vehicle ferries provide a 45 minute service to the Island. Just a short distance off the coast of South Australia (110 kms from Adelaide to Cape Jervis and then a 16 km ferry from Cape Jervis to Penneshaw).

The SeaLion 2000 and Spirit of Kangaroo Island are modern twin hull vessels with licensed cafes and multiple decks, capable of carrying up to 354 passengers per trip and operating up to 12 ferry returns per day during peak times.

Kangaroo Island is internationally celebrated for its inspiring landscapes and spectacular coastlines, its abundant wildlife living wild and free, its thriving food and wine industry and its awesome art with plenty of galleries and showrooms just waiting to be discovered. Kangaroo Island is so full of things to see and do, it's hard to know where to start, from visiting delightful small country towns and quaint rural communities, to bushwalking or sandboarding and fishing.

SeaLink is a one-stop shop for travel to Kangaroo Island and has specialised in creating Kangaroo Island memories for more than 30 years. Not only do SeaLink operate the ferry service to Kangaroo Island but we also offer a huge range of accommodation on Kangaroo Island, tours, activities, adventure experiences and more.

All in all, Kangaroo Island is an ideal destination for group touring and we can tailor an itinerary to suit your group preferences and ensure they enjoy all the must see experiences.
