THE AMAZING MILL MARKETS

The Amazing Mill Markets operate three massive venues located in Ballarat, Daylesford and Geelong. With a total of over 12,000 square metres of undercover floor space, (3 acres), makes it Australia's largest mix for treasure hunters who have the opportunity to spend many hours browsing and meandering through the eclectic mix of wares. There is a fantastic variety of furniture, records, vintage clothing, books, fine china, glassware, industrial items, jewellery, antiques as well as Australian pottery, homewares, memorabilia, home decor, retro fashions and collectables as well as everything in between. All goods are from the 1850's right through to present day. Mill Markets lease space to hundreds of dealers, which allows small business operators, hobbyists, collectors, artists or community groups who otherwise could not afford the overheads of their own shops, to showcase their goods. This equates to a wide and diverse range of wares, available and open to the public, seven days a week. Enjoy a wonderful trip down memory lane through hundreds and thousands of items available for purchase at all three locations. With over 500 stall holders over three venues, there is always something for everyone. Travel The Amazing Mill Markets 'Golden Triangle' and enjoy quality food and coffee at each venue.
